Greetings,

The Atwater Aviators would like to invite your youth organization for a Night at the Ballpark. Come out to enjoy the great game of baseball and family friendly entertainment and have your group recognized by our fans. Taking part in the festivities and contest it's sure to be a memory your kids will treasure forever. They will be invited for an exclusive picture & autograph session before the game. They will escort out players to their positions before the game and will stand out in the field as we play The National Anthem. We will also have contests in-between innings that they can take part in. This is fun for the whole family right in town and will build experiences your kids will never forget. So come out support your home team and the best thing is **KIDS ARE FREE!!!!** The dates will fill up fast so schedule your Night at the Ballpark soon.

- Kids will be asked to wear a jersey or uniform indicating what group they are with to be let in free. (Kids 12 & under are free all the time)
- Parents and adults accompanying the youth will get discounted tickets (\$3 per ticket). Bring the whole family.
- Spots are limited we want to make this night a special night exclusively for the kids.

Experience the Excitement of Merced County's only Semi-Pro Baseball Team.
